Work and Volunteer Experience

Eaton Corporation — **Pittsburgh, Pennsylvania**
Financial Planning and Analysis Intern — *May 2017-August 2017*

- FP&A for Eaton's Global $1.5B+ top line Control and Protection Division (CPD), located within Eaton's Electrical Sector
- Developed CPD Competitor Analysis Excel Model to unify and benchmark against eight competitor company segment financials
- Consolidated and analyzed daily sales and orders from divisions and then communicated to upper management
- Assisted in the creation and delivery of monthly executive finance deliverables for Eaton senior leaders
- Tracked orders daily to provide product line managers insight into customer purchasing behavior and performance against forecasts
- Facilitated monthly and quarterly closing procedures, responsibilities included booking P&L and Balance Sheet journal entries in Oracle
- Researched the latest market trends and outlook for CPD products and industry, and created an Excel forecast to display findings
- Collaborated with IST personnel to refine Sales SQL database to yield CPD Top 100 customers for increased market penetration

Long Beach Parks and Recreation — **Long Beach, New York**
Youth Camp, Group Leader — *May 2016-August 2016*

- Led two counselors to monitor the health and safety of twenty-five young campers at all times throughout the day
- Handled numerous daily activities and events for the group and was responsible for completion of required hourly checks

Chester Community Charter School — **Chester, Pennsylvania**
Volunteer, Big Brother Mentor Program — *March 2016-May 2016*

- Contributed personal direction and guidance to the lives of 6th grade children at the Chester Community Charter School
- Educated and advised the protégés on the importance of positive life choices, skills and behaviors

Hurricane Sandy Relief — **Long Beach, New York**
Local Disaster Volunteer & Manager of Rebuilding Efforts — *October 2012-February 2013*

- Managed numerous relief jobs including debris removal, distributing supplies to those in need, and emotional support
- Overseer of all communications of hydraulic lifting construction efforts on my household residence in Long Beach, New York

Peter's Clam House Restaurant — **Island Park, New York**
Expeditor — *June 2014-August 2015*

Extracurricular Activities

Penn State Asset Management Group (AMG) — **University Park, Pennsylvania**
