- 10th MBA for a Day

Second Mile Harvest Festival

Smeal MBA's helped to make the Second Mile Harvest Festival a wonderful time for over 60 local children by working at a pumpkin cookie decorating and bean bag toss booth.

Company Explo!

Over 20 companies were represented by second year students at the first Company Explo! First year MBA's learned about internship opportunities at the company booths and asked questions about company culture, career development, and life in the company location.

Smeal Thanksgiving Dinner

We have continued our annual tradition of hosting Thanksgiving dinner with the MBA Community including faculty, staff, family and friends. Dinner provided a much needed break from studying and a chance to relax and reconnect with classmates. Special thanks to the Lion Partners for working with the MBAA to organize such a successful event!

Smeal MBA Live!

Amazing talent was uncovered at Smeal's first MBA live where second MBAs showcased their talent including comedy sketches, singing, dance, cultural performances, and poetry reading. All funds raised from the event raffles will go to support the Special Olympics!

Celebration of Diwali

Last week Smeal MBAs celebrated Diwali, the Festival of Lights, with Bollywood style performances from current students, a fashion show of Indian dress, and excellent traditional Indian food. Attendees enjoyed the dancing and music show coordinated by first year MBAs. The festival marks the victory of good over evil, and uplifting of spiritual darkness represented by lights or lamps.

MBAA Halloween Party

The most creative costumes as judged by the party-goers included: best group: Rick Krauss, Paul Rodriguez, Brad Updegrave, and Nate Walvoord (Kanye West video robots) Best Individual: 1st Place - Mohammed Mijindadi 2nd Place - Steve Neuber (As Ganesh Harinath), and 3rd Place - Jeff Hoeflich (As White Goodman, Ben Stiller's character in Dodgeball).

Thank You to Augustine Nwabuzor, Mohammed Abdullah & Ganesh Harinath for representing the Smeal MBA Program at the Howard University Minority Case Competition.
