Eligibility and Scheduling

The CPA exam is offered up to seven days a week during January, February, April, May, July, August, October, and November each year. The exam consists of four, four-hour segments. To qualify, all parts of the CPA Exam must be successfully completed within 18 months of each other. Candidates make appointments for specific dates and times at regional testing centers. After the state board determines the candidate is eligible, the candidate will receive a Notice to Schedule (NTS). Though the CPA exam is uniform nationwide, the requirements to be eligible to sit for the exam vary by state.
