

# Corporate Sponsor Research Project Categories

## Schreyer Thesis

The Schreyer Honor college is ranked among the nation's best honors colleges with 300 students of all majors. Projects are year long; in-depth research.

## Honors Option

Schreyer students may accumulate honor credits by taking a non-honors course and completing a research project that is aligned with student coursework.

## APEX

Capstone team projects for MBAs or Sapphire students. Proposals are collected year round. Teams consist of all business school majors.

## SCM 496

Semester-long projects for junior and senior undergraduates who work independently with their advisor to complete a project.

## Learning Factory

Project team from the College of Engineering. Sponsors make a donation of \$3,500 and a portion is made available to the team for to complete the project.

## High School Project

Project that is chosen by Dr. Bob Novack, who then works with a select group of high school students to complete.
