Corporate Support for CSCR

The Center for Supply Chain Research® (CSCR®) welcomes outstanding organizations with the objective of creating a community of practice. Our supporters provide insights for CSCR’s strategic plan by identifying relevant supply chain issues that their organizations are experiencing in today’s challenging business environment.

Explore our four areas of focus:

**Talent**
CSCR facilitates access to hundreds of Penn State supply chain majors and graduate students concentrating in the discipline.

**Knowledge**
CSCR offers a broad portfolio of open-enrollment supply chain offerings, certificates, courses; and custom learning solutions for organizations.

**Research**
CSCR aims to collaboratively engage industry with faculty and students in groundbreaking research to advance the body of knowledge in supply chain management.

**Networking**
CSCR offers multiple opportunities for professionals to stay up-to-date on supply chain trends, connect with peers, and be inspired.
