SUPPLY CHAIN ACADEMY

Our Supply Chain Academy provides a virtual platform for organizations to engage their supply chain leaders. The company-sponsored, cohort-based experience is structured into focused sprints that build on each other and combine asynchronous and live sessions. Enhance existing organizational expertise and improve supply chain efficiency and effectiveness.

PROFESSIONAL AND PREMIUM CERTIFICATES

Demonstrate your achievement through learning and document your expertise with a Supply Chain Operations, Supply Chain Management, or Supply Chain Leadership Certificate from Penn State. This lifetime credential is a win-win for both you and your organization. Greater expertise allows you to contribute to broader organizational goals and leverage for career advancement. By completing multiple supply chain certificates, you can attain Professional or Executive Scholar status making you an invaluable asset and contributor with a broader base of enterprise knowledge.
